

# Posey® Adult Feeding Apron

Quality Products since 1937

## SEATING AND POSITIONING

The Posey Adult Feeding Apron is designed to provide an absorbent, yet waterproof shield against spilled foods and beverages. The built-in "catch" pocket (fig. 1) collects food items to prevent scattering over the chair or floor.

**REF 4552** Posey Adult Feeding Apron 18"W by 30"L (46 cm x 76 cm)

### MONITORING

**AWARNING** Be sure to follow your facility's policies and guidelines for frequency of patient monitoring.

### INSPECTION

**AWARNING** Inspect before each use: check for broken stitches; or torn, cut or frayed material. DO NOT use soiled or damaged products.

### APPLICATION INSTRUCTIONS:

1. The Posey Adult Feeding Apron should be positioned on the individual and secured around the neck using the hook and loop fastener. The apron is reversible (fig. 2) for extended life. Both sides are absorbent, with the white side offering greater absorbency.

Fig. 1 - Built in "Catch" Pocket - White side out

Fig. 2 - Reverse - Blue side out

### DISPOSAL

**AWARNING** Properly dispose of the product per facility's policy for BIOHAZARDOUS materials.

### STORAGE AND HANDLING

This device is designed for use in normal indoor environments. This device may be stored in ambient warehouse temperatures at normal humidity levels. Avoid excess moisture or high humidity that may damage product materials.

### WASHING INSTRUCTIONS:

- These products can be machine washed under CDC guidelines for material soiled with blood or bodily fluid.
- For non-contaminated material, use lower temperature wash and dry cycles to extend product life.
