FAQ: What is Posey Company's policy regarding Product Liability for products on evaluation?

If a customer orders a Posey product on a 30 day evaluation trial, the Posey Company's Product Liability coverage is the same as if a customer purchased the product. The Posey Company maintains Product Liability Insurance to defend against claims for bodily injury or property damage allegedly resulting from a defect in any product that is manufactured, distributed or sold by the J. T. Posey Company.

For complete cleaning and use instructions for all Posey products, please refer to package insert accompanying each product.

We hope that this answers your questions. If you have any further questions, please feel free to call Posey Customer Service at (800) 44-Posey or (800) 447-6739.
